Vanilla JS

A large, solid blue circle occupies the entire frame. In the center of the circle, the letters 'JSP' are written in a white, sans-serif font. The letters have a slight drop shadow, making them stand out from the blue background.

JSP

The image features a large, dark blue circle with a thin, lighter blue border. Centered within the circle are the letters "JSF" in a white, bold, sans-serif typeface. The letters have a subtle drop shadow, giving them a three-dimensional appearance as if they are floating slightly above the blue background.

JSF

The image features a large, solid blue circle that serves as a background. In the center of this circle, the text "AngularJS" is written in a white, sans-serif font. The text has a subtle drop shadow, giving it a slight 3D appearance as if it's floating above the blue surface.

AngularJS

The image shows the Angular logo, which consists of a large blue circle with a thin light blue outline. The word "Angular" is written in white, sans-serif font in the center of the circle.

Angular

React

A large blue circle with a lighter blue border. The word "Velocity" is written in white, sans-serif font in the center of the circle.

Velocity

Dojo

(last 14 years)

jQuery

Swing

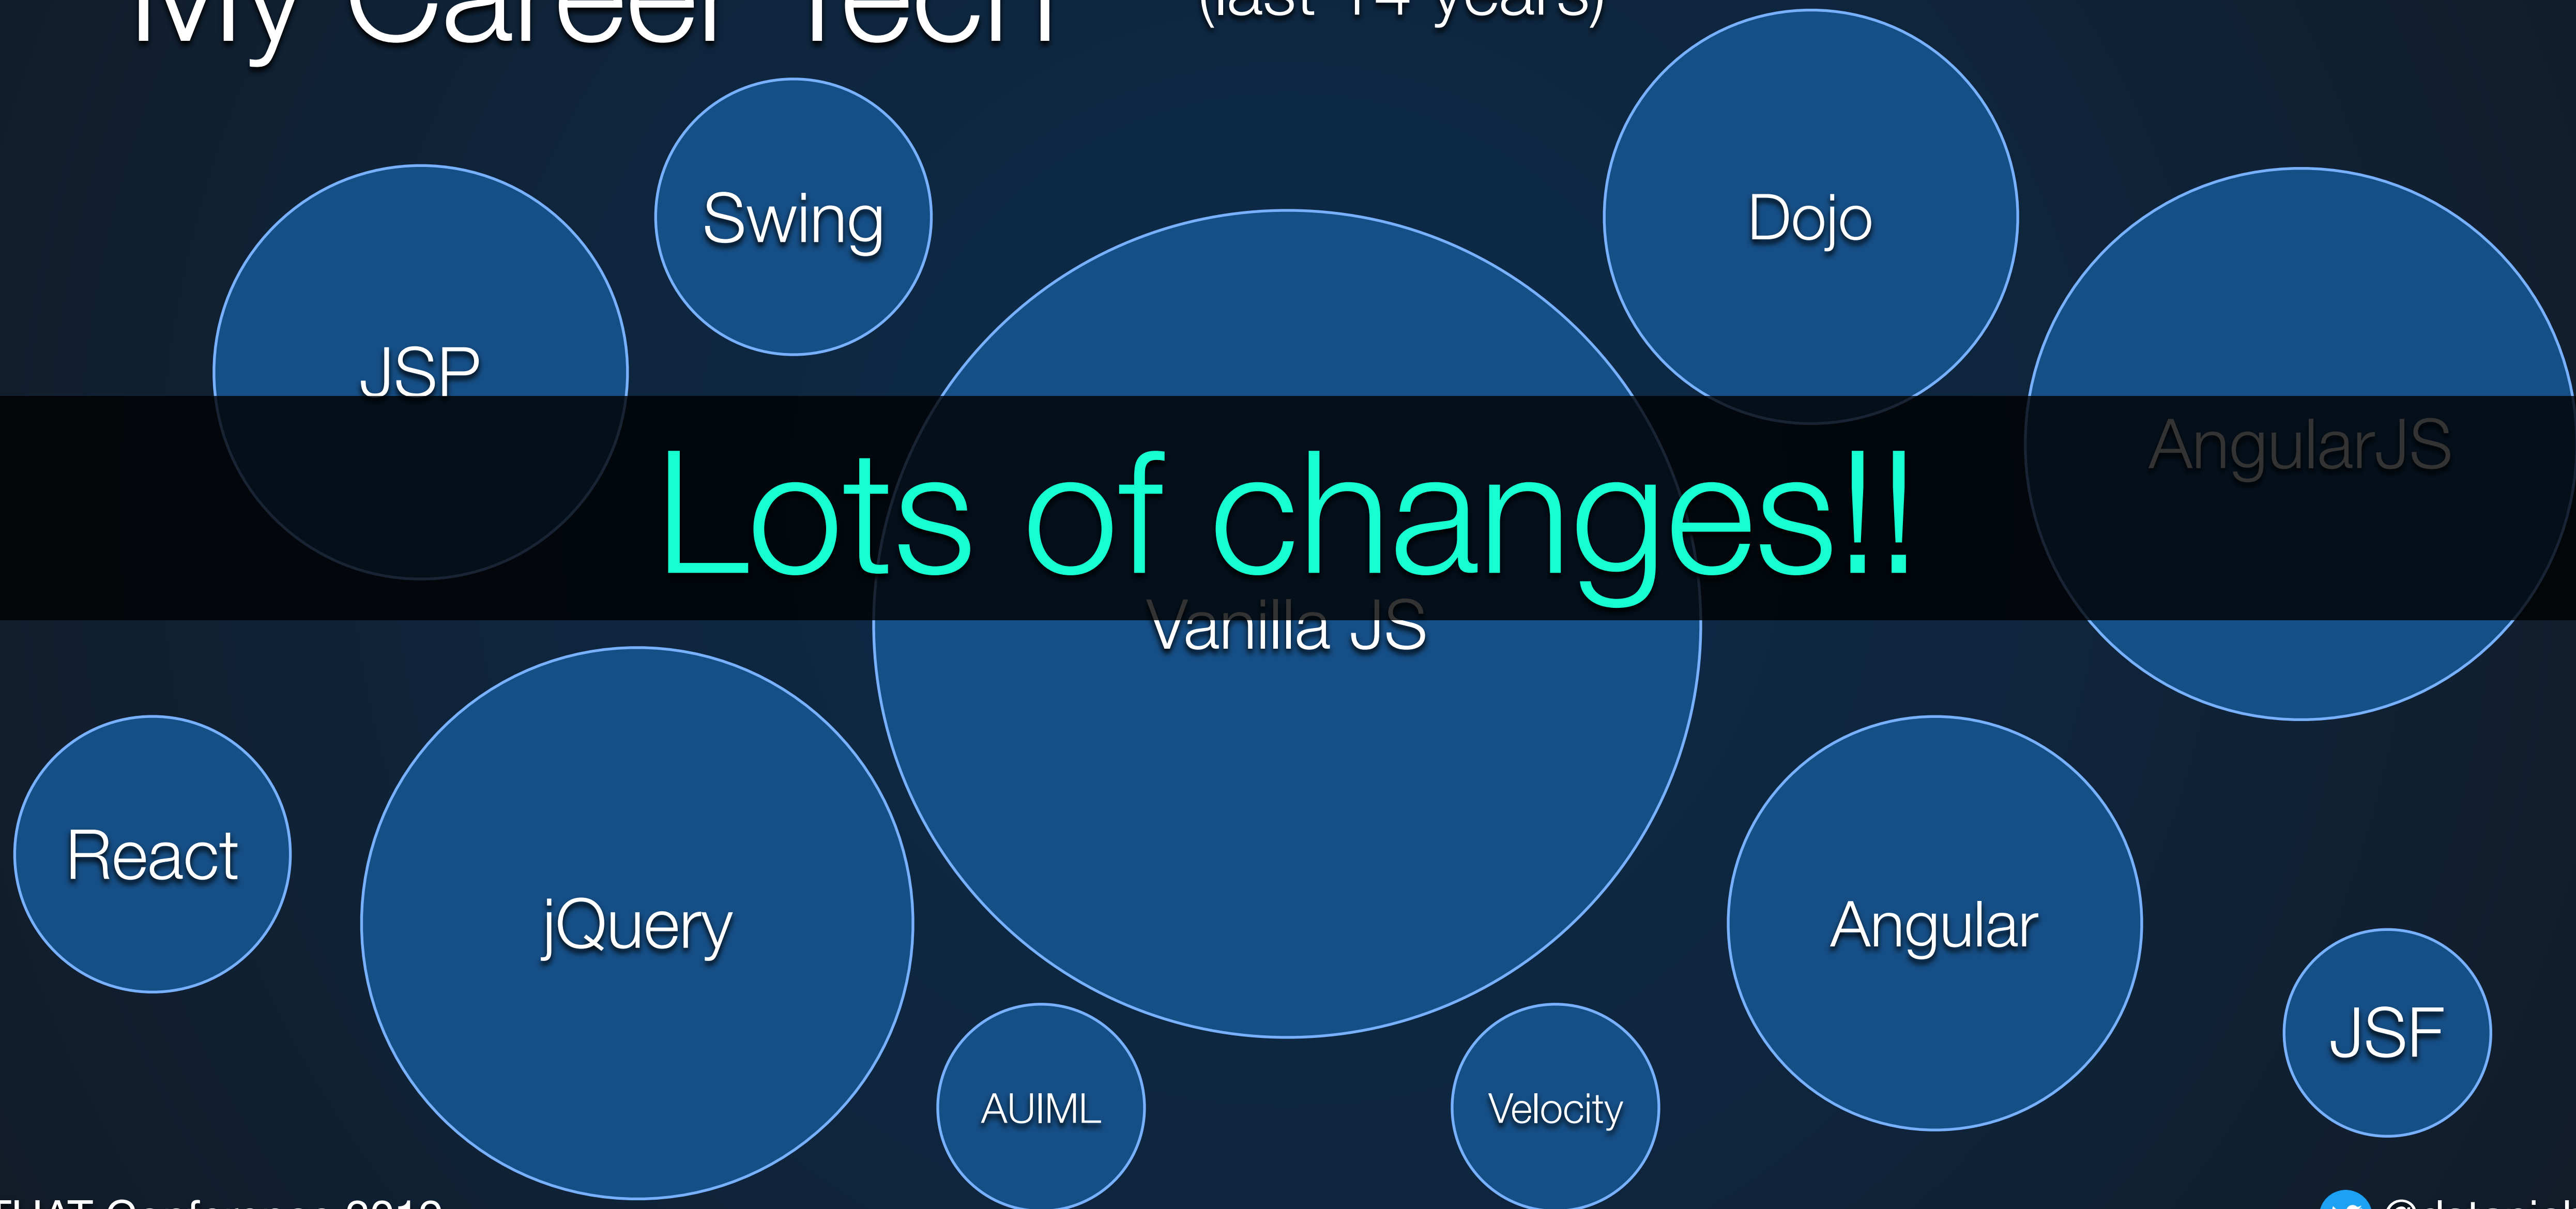

The logo consists of a large dark blue circle with a thin light blue border. The text 'AUIML' is centered within the circle in a white, sans-serif font.

AUIML

Lots of changes!!
